I understand I must pay an additional non-refundable fee of \$200.00 before I acquire an animal. Bringing an animal onto the property without payment of the fee is grounds for immediate legal eviction. Hinson Property Management is to approve the breed of the animal.

You must provide us with a recent photo of each animal(s) with the animal(s) name typed or clearly printed on photo. We will keep this on file throughout the term of the rental agreement. Applicants are allowed to e-mail a recent photo of your animal(s) to candy@hinsonmanagement.com.
